

Climbing Rally Information

- **All participants must take the Climbing Rally Scorecard from the registrations office.**
- **All participants compete in teams of two (Categories: male, female and mixed.)**

RULES

Open Climbing Rally participants must register at the registrations office at the Fest's Base Camp, Hotel Elena Village in Kasteli. Registrations open from the 4th until the 5th of October. All participants must have individual liability and health insurance policies that cover rock climbing and sign the waiver when registering. Participants under 18 years old must have parental permission.

The Open Climbing Rally is a friendly redpoint contest. Each party will receive a score card on which they will note the routes they have redpointed (redpoint: lead climb the route with no falls from the ground to the belay without the aid of the rope or other gear). Each route is given a certain value depending on its difficulty (see scorecard for scale). If a route is redpointed by both climbers of the party it will be counted twice. Scoring at the Rally is based upon the honor system. At the end of the day, each party will fill out the scorecard, total the points and turn it in to the organizers, between 18:00 and 20:00 on October the 6th.
